- Question raised as to where we will get the money to cover the deficit. The library will receive funds in late September early October from the school budget referendum that will be voted on by taxpayers in May.
- The majority of our funds typically come in bulk sums.
- We did not spend the entire designated book purchase funds from 2016 due to the renovation.
- Disability insurance on track with budget.
- Book purchase budget a bit over budget but will even out as Katy “buys to budget.”
- Water/sewer expenses ($513 spent/ $800 budgeted) – hoping this will even out over the remaining months. This includes annual sewer tax of $470.

Motion to approve Treasurer’s report made by Susan York, seconded by Donna Breen. Unanimous vote in favor.

Director’s Report: Director Benson submitted her March report of library activities, meetings, and requests.

- There will be a change in invoice delivery and check processing going forward to ensure on time bill payments. All invoices will be given to Frank on Fridays; he in turn will deliver checks to the library for signing on Wednesday afternoons.
- Because we are no longer receiving funds from the town, we may begin our budget later if we want; this has been added to the overall board calendar.
- Britany Hewitt has taken a full time position thus will no longer be included on the library sub list. Katy will begin looking for a replacement as a “substitute clerk.”
Having boiler trouble due to a leak. Katy consulted with Cooney Heating who has recommended that since the winter season is just about over we wait until fall to fix or replace the broken parts. Katy will hold off until September at which time she will seek other quotes.

Katy to ask Mike Lisson if he would be interested in being the back-up and future replacement. There is no intent at this point to replace Frank; the board is very grateful Frank brought up this topic.
